(Joint Administration Requested)

**DEBTORS' MOTION FOR ENTRY OF INTERIM AND FINAL ORDERS
(I) APPROVING THE DEBTORS' PROPOSED FORM OF ADEQUATE
ASSURANCE OF PAYMENT TO UTILITY PROVIDERS, (II) ESTABLISHING
PROCEDURES FOR RESOLVING OBJECTIONS BY UTILITY PROVIDERS,
AND (III) PROHIBITING UTILITY PROVIDERS FROM ALTERING,
REFUSING, OR DISCONTINUING UTILITY SERVICES**

The debtors and debtors in possession (collectively, the “**Debtors**,” and together with their non-Debtor affiliates, the “**Company**”) in the above-captioned cases hereby file this motion (the “**Motion**”) for entry of an interim order substantially in the form attached hereto as **Exhibit A** (the “**Interim Order**”) and a final order substantially in the form attached hereto as **Exhibit B** (the “**Final Order**,” together with the Interim Order, the “**Orders**”) granting the relief described below. In support of this Motion, the Debtors rely upon and incorporate by reference the *Declaration of Jamere Jackson in Support of the Debtors' Petitions and Requests for First Day Relief* (the “**First Day Declaration**”),² filed concurrently herewith. In further support of the Motion, the Debtors, by and through their undersigned counsel, respectfully state as follows:

¹ The last four digits of The Hertz Corporation's tax identification number are 8568. The location of the debtors' service address is 8501 Williams Road, Estero, FL 33928. Due to the large number of debtors in these chapter 11 cases, for which joint administration for procedural purposes has been requested, a complete list of the debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the debtors' proposed claims and noticing agent at <https://restructuring.primeclerk.com/hertz>.

² Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.

RELIEF REQUESTED

1. By this Motion, pursuant to sections 105(a) and 366 of title 11 of the United States Code (the “**Bankruptcy Code**”), the Debtors seek entry of the Orders (a) approving Debtors’ proposed form of adequate assurance of payment to Utility Providers (as defined below), (b) establishing procedures for resolving any requests for additional assurance by Utility Providers; and (c) prohibiting Utility Providers from altering, refusing, or discontinuing utility services to, or discriminating against, the Debtors on account of any outstanding amount for services rendered prepetition or any perceived inadequacy of the Debtors’ proposed adequate assurance pending entry of the Final Order.

2. In addition, the Debtors request that the Court schedule a final hearing (the “**Final Hearing**”)³ to consider the relief requested herein on a final basis and entry of the Final Order.

3. For the reasons set forth herein, the Debtors submit that the relief requested is in the best interest of the Debtors, their estates, creditors, and other parties in interest.

JURISDICTION, VENUE AND PREDICATES FOR RELIEF

4. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012 (Sleet, C.J.). This is a core proceeding under 28 U.S.C. § 157(b). Venue of these Chapter 11 Cases (as defined below) and this Motion is proper in this District under 28 U.S.C. §§ 1408 and 1409.

³ The period between the date this Motion was filed and the Final Hearing is referred to herein as the “**Interim Period**.” The Debtors estimate that the Interim Period will last thirty (30) days where such an estimate is required for the purposes of the relief requested herein.

5. The predicates for the relief requested by this Motion are sections 105(a) and 366 of the Bankruptcy Code and Rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

6. Pursuant to Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “**Local Rules**”), the Debtors consent to the entry of a final judgment or order with respect to this Motion if it is determined that this Court lacks Article III jurisdiction to enter such final order or judgment absent consent of the parties.

BACKGROUND

A. Overview

7. On May 22, 2020 (the “**Petition Date**”), the Debtors each commenced with this Court a voluntary case under chapter 11 of the Bankruptcy Code (collectively, the “**Chapter 11 Cases**”). The Debtors have filed a separate procedural motion requesting that the Chapter 11 Cases be jointly administered. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No creditors’ committee has been appointed by the Office of the United States Trustee for the District of Delaware (the “**U.S. Trustee**”), nor has a trustee or examiner been appointed in these Chapter 11 Cases.

8. The Company is a leading provider of vehicle rentals around the world, serving customers under the Hertz, Dollar, Thrifty, and Firefly brands. The Company and its franchisees operate a total of more than 10,000 locations across North America, Europe, Latin America, Africa, Asia, Australia, the Caribbean, the Middle East and New Zealand. Hertz’s motto, “we’re here to get you there,” reflects the Company’s fundamental function: to help its customers move about and explore, whether close to home or on the other side of the globe.

9. In addition to their vehicle rental businesses, the Debtors offer leasing and fleet management services in the United States and Canada through Debtor Donlen Corporation (“**Donlen**”) and certain of its subsidiaries. Donlen provides a variety of fleet services to North American companies that operate vehicle fleets of all different sizes, allowing customers to focus on their core businesses while Donlen helps them achieve efficiencies in their fleet operations.

10. With air travel at record levels in 2018 and 2019, the Company was prospering. It reported adjusted corporate EBITDA of \$433 million and \$649 million in those years, respectively, and, through the end of 2019, achieved ten consecutive quarters of year-over-year revenue growth. In March of 2020, however, the Company’s business was acutely impacted by reductions in travel and restrictions on movement brought about by the coronavirus pandemic. Whether voluntarily or by government mandate, the air travelers the Company serves largely stopped flying and its local customers largely stopped driving. The effect on the Company’s revenue was devastating.

11. At the same time, the crisis subjected the Company to unanticipated demands on its cash reserves. A sharp and unexpected reduction in used car values precipitated by the coronavirus crisis burdened the Company with a substantial cash payment due April 27, 2020 in connection with its primary U.S. rental fleet financing arrangement. The Company elected not to consume its precious liquidity and did not make that payment. A short forbearance and waiver period allowed the Company to reach accords with creditors in Europe and Australia on additional temporary or permanent waivers. However, it failed to yield a longer-term solution with the Company’s primary U.S. and Canadian creditor groups. Accordingly, the Debtors commenced these Chapter 11 Cases with the goals of stabilizing their operations, assessing their options, and charting a course for a strong future.

12. Additional background and information regarding the Company, including its business operations, its corporate and capital structure, its restructuring activities, and the events leading to the commencement of these Chapter 11 Cases, is set forth in detail in the First Day Declaration.

B. The Utility Services

13. In connection with the operation of their business, the Debtors obtain electricity, natural gas, water, waste removal, telephone, internet, cable, and other similar services (collectively, the “**Utility Services**”) from numerous utility providers for the Company’s thousands of corporate and operating locations in the United States and Canada (the “**Utility Providers**”). Each of the Debtors’ offices, service centers, rental locations, and other facilities typically have multiple utility accounts with the Utility Providers (the “**Provider Accounts**”). A nonexclusive list of the Utility Providers and corresponding Provider Accounts (the “**Utility Service List**”) is attached hereto as **Schedule 1**, which is incorporated herein by reference.⁴

14. To manage the Debtors’ payments owed to some of their Utility Providers, including under various leases, the Debtors maintain service agreements with certain third-party service providers (the “**Service Providers**”), under which the Debtors pay the Service Providers the amounts invoiced for the relevant Utility Services managed by the Service Providers plus associated fees. The Debtors seek authority to continue to honor their obligations under the agreements with Service Providers as they come due in the ordinary course of business and on a postpetition basis.

⁴ The inclusion of any entity on, or the omission of any entity from, the Utility Service Lists is not an admission by the Debtors that such entity is, or is not, a “utility” within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights with respect to any such determination.

15. Pursuant to several of the Debtors' leases not managed by Service Providers, certain Utility Services are billed directly to the Debtors' landlords and passed through to the Debtors as part of the Debtors' lease payments in accordance with the applicable lease agreements. The Debtors pay their remaining Utility Providers directly. The relief requested herein covers all Utility Providers supplying Utility Services to the Debtors.⁵

16. The Debtors' estimated total monthly aggregate utility payment to the Utility Providers is approximately \$5 million (the "**Monthly Costs**"), calculated based on the Debtors' historical monthly average of utility expenses over the past twelve months. The Monthly Costs exclude Utility Services billed directly to the Debtors' landlords, if any. The Debtors believe and estimate that they have approximately \$25,225 in prepetition deposits with one or more of the Utility Providers.⁶ Also as of the Petition Date, to the best of the Debtors' knowledge, there are no material defaults or arrearages with respect to their undisputed Utility Services invoices from their Utility Providers.

17. Uninterrupted Utility Services are essential to the Debtors' ongoing business operations. The termination or interruption of the Utility Services, even for a brief period, could severely disrupt the Debtors' operations, and such disruption would jeopardize the Debtors' ability to manage their reorganization efforts. Accordingly, it is essential that the Utility Services continue without interruption during the Debtors' Chapter 11 Cases.

⁵ The Debtors respectfully submit that all landlords be required to continue to pay for Utility Services in the ordinary course of business until the effective date of the rejection of the applicable lease agreement, if any, pursuant to section 365 of the Bankruptcy Code.

⁶ To the extent that these prepetition deposits constitute deposits held by the Utility Providers, the Debtors will engage with such Utility Provider to ensure that the combination of any such deposit and the Adequate Assurance Deposit is sufficient to satisfy the Debtors' obligations under section 366 of the Bankruptcy Code.

C. Proposed Adequate Assurance

18. The Debtors intend to pay undisputed postpetition obligations owed to the Utility Providers in a timely manner. The Debtors believe they will have sufficient liquidity to pay the Utility Providers in the ordinary course of business.

19. To provide additional assurance of payment, the Debtors propose to deposit, for the benefit of the Utility Providers and within 20 days after entry of the Interim Order, approximately \$2.5 million (the “**Adequate Assurance Deposit**”)⁷ into an interest-bearing, segregated account (the “**Adequate Assurance Account**”) held by the Debtors with a bank that is a party to a UDA with the Office of the United States Trustee for the District of Delaware. The Adequate Assurance Deposit amount represents approximately one-half (1/2) of the Monthly Cost of Utility Services, calculated based on the Debtors’ average utility expenses for the past twelve months, net of any prepetition deposits. For the avoidance of doubt, the Adequate Assurance Deposit does not include (a) prepetition deposit for Utility Services held by any of the Utility Providers, (b) Utility Services billed directly to the Debtors’ landlords (if any), and (c) fees paid to the Service Providers. The Debtors also request authority to adjust the Adequate Assurance Deposit should the Debtors, among other things, (a) terminate any of the Utility Services provided by a Utility Provider; (b) make other arrangements with certain Utility Providers for adequate assurance of payment; or (c) supplement the Utility Service List to include additional Utility Providers (as described below).

20. The Debtors submit that the Adequate Assurance Deposit, together with the Debtors’ ability to pay for future utility services in the ordinary course of business (collectively,

⁷ For Utility Providers that have already been identified, the Debtors have included, to the best of their knowledge, every Provider Account for each Utility Provider. Out of an abundance of caution, however, the Debtors are calculating the Adequate Assurance Deposit on a provider basis to account for each Utility Provider’s entire pay history, even if a specific account is not listed on the Utility Service Lists.

the “**Proposed Adequate Assurance**”), constitute sufficient adequate assurance to the Utility Providers in satisfaction of section 366 of the Bankruptcy Code.

D. Proposed Adequate Assurance Procedures

21. Although the Debtors seek to protect their estates from adverse consequences that would result from the interruption of any Utility Services, the Debtors recognize the Utility Providers’ right to evaluate the Proposed Adequate Assurance on a case-by-case basis. Accordingly, the Debtors propose the following procedures should a Utility Provider believe that it requires additional adequate assurance (the “**Adequate Assurance Procedures**”):

- i. If a Utility Provider is not satisfied with the assurance of future payment provided by the Debtors and seeks additional adequate assurance of future payment, the Utility Provider must serve a written request (the “**Request**”) upon the Notice Parties (defined below) stating: (i) the location(s) for which Utility Services are provided; (ii) the account number(s) for such location(s); (iii) the outstanding balance for each account; (iv) a summary of the Debtors’ payment history on each account; and (v) an explanation of why its Adequate Assurance Deposit is inadequate assurance of payment;
- ii. The Request must be delivered to: (i) the Debtors, c/o The Hertz Corporation, 8501 Williams Road, Estero, FL 33928 (Attn: Matthew Potalivo, Esq.); (ii) proposed counsel to the Debtors, White & Case LLP, 555 S. Flower Street, Suite 2700, Los Angeles, CA 90071 (Attn: Ronald Gorsich, Esq.); and (iii) any counsel to any official committee appointed in these Chapter 11 Cases (collectively, the “**Notice Parties**”);
- iii. Without further order of the Court, the Debtors may enter into agreements granting additional adequate assurance to a Utility Provider that serves a Request, if the Debtors, in their discretion, determine that such Request (including any agreed modification thereto) is reasonable;
- iv. If the Debtors do not agree with the Request and cannot agree with the Utility Provider on other terms, within thirty (30) days after receipt of such Request, or such additional time as to which the Debtors and the Utility Provider may agree, the Debtors shall file a motion pursuant to section 366(c)(3) of the Bankruptcy Code (a “**Determination Motion**”), seeking a determination from the Court that the Proposed Adequate Assurance, including the Adequate Assurance Deposit, plus additional consideration offered by the Debtors (if any) constitutes adequate assurance of payment. Pending notice and a hearing on the Determination Motion, the Utility Provider that is the subject of the unresolved

Request may not alter, refuse, or discontinue services to the Debtors nor recover or setoff against any prepetition deposit;

- v. If an amount relating to Utility Services provided postpetition by a Utility Provider is unpaid, and remains unpaid beyond any applicable grace period, such Utility Provider may request a disbursement from the Adequate Assurance Account by giving notice to the Notice Parties. The Debtors shall honor such request within seven (7) business days after the date of receipt without further order of the Court, subject to the ability of the Debtors and the requesting Utility Provider to resolve any dispute. If a Utility Provider receives a disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount disbursed.
- vi. The portion of the Adequate Assurance Deposit attributable to each Utility Provider (including any additional amounts deposited) shall be made available for the benefit of the Debtors, no later than seven (7) business days following the earlier of: (i) payment by the Debtors of the Utility Provider's final invoice in accordance with applicable non-bankruptcy law following the Debtors' termination of such Utility Provider's services; (ii) the effective date of any plan confirmed in the Chapter 11 Cases, only if there are no outstanding disputes related to postpetition payment; and (iii) as provided in any further order of the Court.
- vii. Any Utility Provider that fails to comply with the Adequate Assurance Procedures shall be deemed to have received Adequate Assurance and shall be bound by any order entered by this Court granting the Motion.

22. The Adequate Assurance Procedures establish a streamlined process to enable Utility Providers to address potential concerns with respect to the Proposed Adequate Assurance, while allowing the Debtors to continue their business operations without interruption. In particular, the Adequate Assurance Procedures permit a Utility Provider to object to the Proposed Adequate Assurance by filing and serving a Request upon the Notice Parties. The Debtors may then resolve, in their discretion, any Request by mutual agreement with the Utility Provider and without further order by the Court. If any dispute regarding a Request cannot be resolved, such dispute will be resolved by the Court.

E. Subsequent Modifications of Utility Services List and Procedures for Subsequently Identified Utility Providers

23. The Debtors have made an extensive and good-faith effort to identify all Utility Providers and include them on the Utility Service List. Given the substantial number of Utility Providers that the Debtors deal with at any given time, however, it is possible that not all Provider Accounts or Utility Providers are on the Utility Service List. To the extent the Debtors subsequently identify additional Utility Providers (each, a “**Subsequently Identified Utility Provider**”), or discontinue Utility Services from an existing Utility Provider, the Debtors seek authority, in their sole discretion, to amend the Utility Service List to add or remove any Utility Provider.

24. In addition, the Debtors propose that any Subsequently Identified Utility Provider has the right to object to the inclusion of such Subsequently Identified Utility Provider on the Utility Service List, in each case, within fourteen (14) days after it receives notice of the Motion and Interim Order or Final Order, as applicable. Any such objection must be actually received by the Notice Parties by the fourteen (14) day deadline. If no objection is timely received, the Debtors propose that the provisions of the Interim Order or Final Order, whichever is in effect at the time, apply to the Subsequently Identified Utility Provider. Should any objection properly be made, the Debtors request that such Subsequently Identified Utility Provider making such objection be prohibited from discontinuing, altering, or refusing service to the Debtors, including as a result of unpaid charges for prepetition services, pending resolution of such objection.

25. The Debtors further request that any entered order relating to the Motion be binding on all Utility Providers, regardless of when any particular Utility Provider or Provider Account was added to the Utility Service List, *provided, however*, that if the Debtors supplement the Utility Service List subsequent to the entry of an order granting this Motion, the Debtors will promptly

augment the Adequate Assurance Deposit to include an amount the Debtors estimate in good faith to equal an average of one-half (1/2) of one month of Utility Services on an annualized basis for such new Provider Account(s). Moreover, if the Debtors remove any Utility Provider or Provider Account from the Utility Services Lists, the Debtors will provide such Utility Provider with seven (7) days' notice of such reduction and, absent a response thereto, reduce the amount of the Adequate Assurance Deposit to the extent that it includes an amount for such removed Utility Provider or Provider Account.

F. Prohibition on Altering, Refusing, or Discontinuing Service

26. The Debtors request that the Utility Providers, including any Subsequently Identified Utility Provider, be prohibited from altering, refusing, or discontinuing Utility Services, including as a result of unpaid charges for prepetition Utility Services, or requiring additional assurance of payment (i) pending entry of the Interim Order, and (ii) thereafter, other than in compliance with the proposed Adequate Assurance Procedures.

BASIS FOR RELIEF

I. The Proposed Adequate Assurance Provides Utility Providers with Adequate Assurance of Payment

27. Section 366(a) of the Bankruptcy Code provides:

Except as provided in subsections (b) and (c) of this section, a utility may not alter, refuse, or discontinue service to, or discriminate against, the trustee or the debtor solely on the basis of the commencement of a case under this title or that a debt owed by the debtor to such utility for service rendered before the order for relief was not paid when due.

11 U.S.C. § 366(a). Section 366(b) of the Bankruptcy Code provides, however, that:

Such utility may alter, refuse, or discontinue service if neither the trustee nor the debtor, within 20 days after the date of the order for relief, furnishes adequate assurance of payment, in the form of a deposit or other security, for service after such date.

11 U.S.C. § 366(b).

28. Congress enacted section 366 of the Bankruptcy Code to protect debtors from utility service cutoffs upon the filing of a bankruptcy case, while at the same time providing utility companies with adequate assurance that the debtor will pay for postpetition services. *See* H.R. Rep. No. 95-595, at 350 (1978), *reprinted in* 1978 U.S.C.C.A.N. 5963, 6306; *see also In re Jones*, 369 B.R. 745, 748 (B.A.P. 1st Cir. 2007) (“The purpose of § 366 is ‘to prevent the threat of termination from being used to collect pre-petition debts while not forcing the utility to provide services for which it may never be paid.’”) (citing *Begley v. Phila. Elec. Co. (In re Begley)*, 760 F.2d 46, 49 (3d Cir. 1985)). As set forth herein, the Proposed Adequate Assurance requested in this Motion is consistent with these policy goals.

29. Under section 366(b) of the Bankruptcy Code, a debtor must furnish adequate assurance of payment within twenty (20) days after the entry of the order for relief in the form of a deposit or other security for postpetition service. Here, the Debtors propose to create a separate Adequate Assurance Account in which they will deposit an Adequate Assurance Deposit in an amount equal to one half (1/2) of Monthly Costs of all Utility Services. The Adequate Assurance Deposit, any existing security deposits, and the Debtors’ ongoing ability to meet future obligations as they come due in the ordinary course provide adequate assurance of the Debtors’ payment of their future obligations to each Utility Provider.

30. The Debtors’ proposal is similar to the relief granted in other chapter 11 cases commenced in this jurisdiction. *See, e.g., In re Earth Fare, Inc.*, No. 20-10256 (KBO) (Bankr. D. Del. March 4, 2020); *In re Joerns WoundCo Holdings Inc.*, No. 19-11401 (JTD) (Bankr. D. Del. July 25, 2019); *In re Brookstone Holdings Corp.*, No. 18-11780 (BLS) (Bankr. D. Del. Aug. 24, 2018); *In re One Aviation Corp.*, No. 18-12309 (CSS) (Bankr. D. Del. Nov. 6, 2018); *In re*

Southeastern Grocers, LLC, No. 18-10700 (MFW) (Bankr. D. Del. Mar. 28, 2018); *In re J & M Sales, Inc.*, No. 18-11801 (LSS) (Bankr. D. Del. Sept. 20, 2018).⁸

31. Based on the foregoing, the Debtors submit that granting the relief requested herein is both necessary and appropriate. The Proposed Adequate Assurance provides the Utility Providers with adequate assurance of payment consistent with the requirements of section 366(b) of the Bankruptcy Code.

II. The Debtors' Proposed Adequate Assurance Procedures Properly Balance the Interests of the Utility Providers and Those of the Debtors and Their Estates

32. The Court should approve the Debtors' Adequate Assurance Procedures because they provide Utility Providers with a fair and orderly process for seeking modification of the Proposed Adequate Assurance. At the same time, the Adequate Assurance Procedures protect the Debtors from being required to address requests for additional or different adequate assurance in a disorganized manner and at a time when the Debtors' efforts could be more productively focused on the continuation of their operations in chapter 11.

33. Here, notwithstanding the Debtors' belief that the Proposed Adequate Assurance is sufficient, any rights the Utility Providers claim to have under sections 366(b) and 366(c)(2) are preserved under the Adequate Assurance Procedures. In accordance with the Adequate Assurance Procedures, the Utility Providers may still choose to request a modification of the Proposed Adequate Assurance. In addition, the Adequate Assurance Procedures prevent last-minute demands that would pressure the Debtors into making payments under the threat of losing critical Utility Services.

⁸ Due to their voluminous nature, the orders are not attached to this Motion, but are available on request.

34. The Adequate Assurance Procedures ensure that all parties act in good faith when exercising their rights under section 366 of the Bankruptcy Code; thus, the Adequate Assurance Procedures should be granted.

35. In addition, the Court possesses the power, under section 105(a) of the Bankruptcy Code, to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). The Proposed Adequate Assurance and the Adequate Assurance Procedures are necessary and appropriate to carry out the provisions of the Bankruptcy Code, particularly section 366.

36. Further, the proposed methods are not prejudicial to the Utility Providers and are in the best interests of the Debtors’ estates. Uninterrupted Utility Services are vital to the continued operation of the Debtors’ business and, consequently, to the success of the Chapter 11 Cases. Thus, the relief requested herein is necessary and in the best interests of the Debtors’ estates and creditors. Such relief ensures that the Debtors’ business operations will not be disrupted, and provides both Utility Providers and Debtors with an orderly, fair procedure for determining appropriate adequate assurance consistent with the requirements and goals of section 366 of the Bankruptcy Code.

37. Accordingly, for all of the foregoing reasons, the Debtors submit that cause exists for granting the relief requested herein.

RESERVATION OF RIGHTS

38. The Debtors reserve all rights. Without limiting the generality of the foregoing, nothing contained herein is or should be construed as: (a) an admission as to the validity, extent, perfection, priority, allowability, enforceability, or character of any claim or any security interest which purportedly secures such claim or other asserted right or obligation, or a waiver or other

limitation on the Debtors' ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (b) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors; (c) a promise to pay any claim; (d) a waiver of any claims or causes of action which may exist against any creditor or interest holder; (e) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code, and nothing herein otherwise affects the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease with any party subject to this Motion; (f) granting third-party beneficiary status or bestowing any additional rights on any third party; or (g) being otherwise enforceable by any third party. Further, and without limiting the generality of the foregoing, the Debtors expressly reserve the right (y) to assert at any time that any entity listed on Utility Service List is not entitled to adequate assurance pursuant to section 366 of the Bankruptcy Code, and (z) to terminate the services of any Utility Provider at any time and to seek an immediate refund of any utility deposit without giving effect to any right of setoff or recoupment or claim asserted by a Utility Provider against the Debtors.

**IMMEDIATE RELIEF IS NECESSARY TO AVOID IMMEDIATE AND
IRREPARABLE HARM**

39. For a debtor to obtain relief to make pre-plan payments within 21 days of the Petition Date, it must establish that such payments satisfy the requirements mandated by Bankruptcy Rule 6003—namely, that the relief requested is necessary to avoid “immediate and irreparable harm.” Immediate and irreparable harm exists when, absent the requested relief, a debtor's prospect of reorganizing is threatened or a swift diminution in the value of the debtor's estate is likely. *See In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 36 n.2 (Bankr. S.D.N.Y. 1990) (finding that “immediate irreparable harm” exists where loss of the business threatens ability to

reorganize). The Third Circuit has interpreted the language “immediate irreparable injury” in the context of preliminary injunctions and has instructed that irreparable injury is a continuing harm that cannot be adequately redressed by final relief on the merits and for which money damages cannot provide adequate compensation. *See, e.g., Norfolk S. Ry. Co. v. City of Pittsburgh*, 235 F. App’x 907, 910 (3d Cir. 2007) (citing *Glasco v. Hills*, 558 F.2d 179, 181 (3d Cir. 1977)). Furthermore, the harm must be shown to be actual and imminent, not speculative or unsubstantiated. *See, e.g., Acierno v. New Castle Cty.*, 40 F.3d 645, 653-55 (3d Cir. 1994).

40. Here, immediate and irreparable harm would result without the relief requested herein. Failure to grant the requested relief during the first 21 days of the Chapter 11 Cases would leave the Debtors vulnerable to losing its Utility Services, which would result in needless disruption to the Debtors’ business and may jeopardize the Debtors’ operations at this critical time. For these reasons, the Debtors submit that the relief requested to be included in the Orders is essential to prevent immediate and irreparable harm to the Debtors’ operations and preserve the ongoing value of the Debtors’ business.

WAIVER OF BANKRUPTCY RULE 6004(a) AND 6004(h)

41. To implement the foregoing successfully, and given the nature of the relief requested herein, the Debtors respectfully request a finding that (x) the notice requirements under Bankruptcy Rule 6004(a) are met and (y) the 14-day stay under Bankruptcy Rule 6004(h) is waived. As set forth above, such waiver is warranted here because the Debtors’ continued Utility Services is essential to prevent potentially irreparable harm to the Debtors’ business, value, and ability to reorganize.

42. Notice of this Motion has been provided to the following parties, or, in lieu thereof, their counsel: (i) the U.S. Trustee; (ii) the U.S. Notes Agent; (iii) the Senior Credit Agreement Agent; (iv) the administrative agent under the ALOC Facility; (v) the successor trustee under the Promissory Notes; (vi) the U.S. ABS Agent; (vii) the indenture trustee under the HFLF ABS Notes; (viii) the administrative agent and collateral agent under the U.S. Vehicle RCF; (ix) the indenture trustee under the European Vehicle Notes; (x) the administrative agent and collateral agent under the European ABS Notes; (xi) the indenture trustee and collateral agent under the Hertz Canadian Securitization Notes; (xii) the lender under the Donlen Canada Securitization Program; (xiii) the administrative agent and the security trustee under the Australian Securitization Notes; (xiv) the lender under the New Zealand RCF; (xv) the lender under the U.K. Financing Facility; (xvi) holders of the fifty (50) largest unsecured claims against the Debtors (on a consolidated basis); (xvii) the Internal Revenue Service; (xviii) the Securities and Exchange Commission; (xix) the United States Attorney for the District of Delaware; (xx) any such other party entitled to notice pursuant to Local Rule 9013-1(m); (xxi) the Utility Providers; (xxii) certain of the Debtors' landlords that directly pay for Utility Services; (xxiii) the Service Providers; (xxiv) the state attorneys general for all states in which the Debtors conduct business; and (xxv) any such other party entitled to receive notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in view of the facts and circumstances, such notice is sufficient and no other or further notice need be provided.

NO PRIOR REQUEST

43. No previous request for the relief sought herein has been made by the Debtors to this Court or any other court.

CONCLUSION

WHEREFORE, for the reasons set forth herein, the Debtors respectfully request that the Court grant the relief requested in this Motion, the Interim Order, the Final Order, and such other and further relief as is just and proper.

Case No. 20-11218 (MFW)

(Joint Administration Requested)

Re: Docket No. ____

**INTERIM ORDER (I) APPROVING DEBTORS' PROPOSED FORM OF
ADEQUATE ASSURANCE OF PAYMENT TO UTILITY PROVIDERS, (II)
ESTABLISHING PROCEDURES FOR RESOLVING OBJECTIONS BY UTILITY
PROVIDERS, AND (III) PROHIBITING UTILITY PROVIDERS FROM
ALTERING, REFUSING, OR DISCONTINUING UTILITY SERVICES**

Upon the motion (the “**Motion**”)² of the Debtors for entry of an order (this “**Interim Order**”) pursuant to sections 105(a) and 366 of the Bankruptcy Code, and rules 6003 and 6004 of the Bankruptcy Rules, (i) approving Debtors’ proposed form of adequate assurance of payment to Utility Providers, (ii) establishing procedures for resolving requests for additional assurance, and (iii) prohibiting Utility Providers from altering, refusing, or discontinuing utility services, all as more fully set forth in the Motion; and the Court having found that it has jurisdiction to consider the Motion and the relief requested therein in accordance with 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012 (Sleet, C.J.); and consideration of the Motion and the relief

requested therein being a core proceeding pursuant to 28 U.S.C. § 157(b); and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and due, sufficient, and proper notice of the Motion having been provided under the circumstances and in accordance with the Bankruptcy Rules and the Local Rules, and it appearing that no other or further notice need be provided; and a hearing having been held to consider the relief requested in the Motion (the “**Hearing**”); and upon consideration of the First Day Declaration; and the record of the Hearing; and the Court having found and determined that the relief sought in the Motion is necessary to avoid immediate and irreparable harm to the Debtors and their estates, as contemplated by Bankruptcy Rule 6003, and is in the best interests of the Debtors, their estates, their creditors, their stakeholders, and all other parties-in-interest, and that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis as set forth herein.
2. The Debtors are authorized, but not directed, to pay on a timely basis in accordance with their prepetition practice all undisputed invoices for postpetition Utility Services provided by the Utility Providers to the Debtors.
3. The Proposed Adequate Assurance is approved and constitutes sufficient adequate assurance of payment for purposes of section 366 of the Bankruptcy Code.
4. Within twenty (20) days after the entry of this Interim Order, the Debtors will establish an interest-bearing, segregated Adequate Assurance Account with a bank that is a party to a UDA with the Office of the United States Trustee for the District of Delaware, and place \$2.5 million (the “**Adequate Assurance Deposit**”) in the Adequate Assurance Account, which equals

approximately one half (1/2) of one month of Utility Services in respect of all the Provider Accounts set forth on the Utility Service List attached hereto as **Schedule 1**.

5. The following Adequate Assurance Procedures are approved on an interim basis:

- i. If a Utility Provider is not satisfied with the assurance of future payment provided by the Debtors and seeks additional or different adequate assurance of future payment, the Utility Provider must serve a written request (the “**Request**”) upon the Notice Parties (defined below) stating: (i) the location(s) for which Utility Services are provided; (ii) the account number(s) for such location(s); (iii) the outstanding balance for each account; (iv) a summary of the Debtors’ payment history on each account; and (v) an explanation of why its Adequate Assurance Deposit is inadequate assurance of payment;
- ii. The Request must be delivered to: (i) the Debtors, c/o The Hertz Corporation, 8501 Williams Road, Estero, FL 33928 (Attn: Matthew Potalivo, Esq.); (ii) proposed counsel to the Debtors, White & Case LLP, 555 S. Flower Street, Suite 2700, Los Angeles, CA 90071 (Attn: Ronald Gorsich, Esq.); and (iii) any counsel to any official committee appointed in these Chapter 11 Cases (collectively, the “**Notice Parties**”);
- iii. Without further order of the Court, the Debtors may enter into agreements granting additional adequate assurance to a Utility Provider that serves a Request, if the Debtors, in their discretion, determine that such Request (including any agreed modification thereto) is reasonable;
- iv. If the Debtors do not agree with the Request and cannot agree with the Utility Provider on other terms, within thirty (30) days after receipt of such Request, or such additional time as to which the Debtors and the Utility Provider may agree, the Debtors shall file a motion pursuant to section 366(c)(3) of the Bankruptcy Code (a “**Determination Motion**”), seeking a determination from the Court that the Proposed Adequate Assurance, including the Adequate Assurance Deposit, plus additional consideration offered by the Debtors (if any) constitutes adequate assurance of payment. Pending notice and a hearing on the Determination Motion, the Utility Provider that is the subject of the unresolved Request may not alter, refuse, or discontinue services to the Debtors nor recover or setoff against any prepetition deposit;
- v. If an amount relating to Utility Services provided postpetition by a Utility Provider is unpaid, and remains unpaid beyond any applicable grace period, such Utility Provider may request a disbursement from the Adequate Assurance Account by giving notice to the Notice Parties. The Debtors shall honor such request within seven (7) business days after the date of receipt without further order of the Court, subject to the ability of the Debtors and the requesting Utility Provider to resolve any dispute. To the extent a Utility Provider receives a

disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount disbursed.

- vi. The portion of the Adequate Assurance Deposit attributable to each Utility Provider (including any additional amounts deposited) shall be made available for the benefit of the Debtors, no later than seven (7) business days following the earlier of: (i) payment by the Debtors of the Utility Provider's final invoice in accordance with applicable non-bankruptcy law following the Debtors' termination of such Utility Provider's services; (ii) the effective date of any plan confirmed in the Chapter 11 Cases only if there are no outstanding disputes related to postpetition payments; and (iii) as provided in any further order of the Court.
- vii. Any Utility Provider that fails to comply with the Adequate Assurance Procedures shall be deemed to have received Adequate Assurance and shall be bound by any order entered by this Court granting the Motion.

6. Any Utility Provider that fails to submit a Request for additional assurance as set forth in the Adequate Assurance Procedures shall be deemed to have adequate assurance of payment within the meaning of section 366 of the Bankruptcy Code and shall be forbidden from altering, refusing, or discontinuing service to the Debtors for lack of adequate assurance or on account of any prepetition charges, or the Debtors' bankruptcy filings, subject to the Utility Provider's right to seek a modification of adequate assurance under section 366(c)(3) of the Bankruptcy Code.

7. The Debtors are authorized, in their sole discretion, to amend the Utility Service List attached hereto as **Schedule 1** to add or delete any Utility Provider and/or Provider Account, and such amendment shall be accomplished by filing with this Court a notice and serving the same on the affected Utility Provider. Upon such amendment, such Subsequently Identified Utility Provider that is added to Utility Services List shall be permitted to make a Request for additional assurance in accordance with the Adequate Assurance Procedures set forth herein in respect of its newly-added Provider Account(s). If the Debtors add any Utility Provider or Provider Account to the Utility Service List, the Debtors shall increase the amount of the Adequate Assurance Deposit

by depositing into the Adequate Assurance Account an amount the Debtors estimate in good faith to equal an average of one half (1/2) of one month of Utility Services on an annualized basis for such new Provider Account(s). If the Debtors delete any Utility Provider or Provider Account from the Utility Service List, the Debtors may reduce the amount of the Adequate Assurance Deposit to the extent that it includes an amount for such removed Utility Provider or Provider Account; *provided that* the Debtors shall have provided such Utility Provider with seven (7) days' notice of such reduction and did not receive a response thereto by such deadline.

8. This Interim Order shall be binding on all Utility Providers served with the Motion and Interim Order.

9. Absent any further order of this Court, the Utility Providers are prohibited from (i) discriminating against the Debtors, (ii) discontinuing, altering, or refusing service, or (iii) requiring payment of an additional deposit or receipt of other security (other than in accordance with Adequate Assurance Procedures) on account of the Debtors' bankruptcy filings, any unpaid prepetition charges, or on account of any perceived inadequacy of the Proposed Adequate Assurance.

10. Any landlord that pays directly for Utility Services for the benefit of the Debtors pursuant to a non-residential real property lease must continue paying for such Utility Services in the ordinary course of business and may not cease, reduce, delay, or otherwise interfere with the payment or delivery of such Utility Services, regardless of any nonpayment, deferral, or waiver of rent, or any defaults with respect to the applicable lease; *provided that* a landlord may cease payments on account of Utility Services following the effective date of the rejection of the applicable lease pursuant to section 365 of the Bankruptcy Code, if any. The Debtors shall serve

a copy of this Interim Order on all landlords that pay directly for Utility Services for the benefit of the Debtors pursuant to a nonresidential real property lease, if any.

11. Notwithstanding anything to the contrary in any other order of this Court, no creditor shall have any interest in or lien on the Adequate Assurance Deposit.

12. Nothing contained in the Motion or this Interim Order, nor any payment made pursuant to the authority granted by this Interim Order, is intended to be or shall be construed as (a) an admission as to the validity, extent, perfection, priority, allowability, or enforceability of any claim or any security interest which purportedly secures such claim, (b) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (c) a promise to pay any claim, (d) a waiver of any claims or causes of action which may exist against any creditor or interest holder, (e) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code, and nothing herein otherwise affects the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease with any party subject to this Interim Order; (f) granting third-party beneficiary status or bestowing any additional rights on any third party; or (g) being otherwise enforceable by any third party. Without limiting the generality of the foregoing, nothing in the Motion or this Interim Order shall constitute a finding that any entity is or is not a Utility Provider hereunder or a utility under section 366 of the Bankruptcy Code, whether or not such entity is listed on the Utility Services Lists.

13. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the

Debtors' designation of any particular check or electronic payment request as approved by this Interim Order without any duty of further inquiry and without liability for following the Debtors' instructions.

14. The Court finds and determines that the requirements of Bankruptcy Rule 6003(b) are satisfied and that relief is necessary to avoid immediate and irreparable harm.

15. Under the circumstances, the notice requirement set forth in Bankruptcy Rule 6004(a) is satisfied.

16. This Interim Order is immediately effective and enforceable notwithstanding the provisions of Bankruptcy Rule 6004(h) or otherwise.

17. The Debtors are authorized to execute and deliver such documents and to take and perform all actions necessary to implement and effectuate the relief granted in this Interim Order.

18. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Interim Order.

19. The deadline by which objections to entry of a final order on the Motion must be filed is _____, 2020 at _____.m. (Eastern Time) (the "**Objection Deadline**"). The Final Hearing, if required, will be held on _____, 2020 at _____.m. (Eastern Time).

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED as set forth herein. Any objections or reservations of rights filed in respect of the Motion are overruled, with prejudice.
2. The Debtors are authorized, but not directed, to pay on a timely basis in accordance with their prepetition practice all undisputed invoices for postpetition utility services provided by the Utility Providers to the Debtors.
3. The Proposed Adequate Assurance is approved and constitutes sufficient adequate assurance of payment for purposes of section 366 of the Bankruptcy Code.
4. The Adequate Assurance Deposit in the amount of approximately \$2.5 million deposited in the Adequate Assurance Account shall be held for the purpose of providing adequate assurance of payment to each Utility Provider for its postpetition Utility Services to the Debtors.
5. The Debtors are authorized, in their sole discretion, to amend the Utility Service List attached hereto as **Schedule 1** to add or delete any Utility Provider and/or Provider Account,

and such amendment shall be accomplished by filing with this Court a notice and serving the same on the affected Utility Provider. Upon such amendment, this Order shall apply to any such Subsequently Identified Utility Provider that is added to such Utility Service List, and such Subsequently Identified Utility Provider shall be permitted to make a Request for additional assurance according to the Adequate Assurance Procedures set forth in the Order in respect of its newly-added Provider Account(s). If the Debtors add any Utility Provider or Provider Account to the Utility Service List, the Debtors shall increase the amount of the Adequate Assurance Deposit by depositing into the Adequate Assurance Account an amount the Debtors estimate in good faith to equal an average of one half (1/2) of one month of Utility Services on an annualized basis for such new Provider Account(s). If the Debtors delete any Utility Provider or Provider Account from the Utility Service List, the Debtors may reduce the amount of the Adequate Assurance Deposit to the extent that it includes an amount for such removed Utility Provider or Provider Account; *provided that* the Debtors shall have provided such Utility Provider with seven (7) days' notice of such reduction and did not receive a response thereto by such deadline.

6. The following Adequate Assurance Procedures are approved on a final basis:
 - i. If a Utility Provider is not satisfied with the assurance of future payment provided by the Debtors and seeks additional or different adequate assurance of future payment, the Utility Provider must serve a written request (the "**Request**") upon the Notice Parties (defined below) stating: (i) the location(s) for which Utility Services are provided; (ii) the account number(s) for such location(s); (iii) the outstanding balance for each account; (iv) a summary of the Debtors' payment history on each account; and (v) an explanation of why its Adequate Assurance Deposit is inadequate assurance of payment;
 - ii. The Request must be delivered to: (i) the Debtors, c/o The Hertz Corporation, 8501 Williams Road, Estero, FL 33928 (Attn: Matthew Potalivo, Esq.); (ii) proposed counsel to the Debtors, White & Case LLP, 555 S. Flower Street, Suite 2700, Los Angeles, CA 90071 (Attn: Ronald Gorsich, Esq.); and (iii) any counsel to any official committee appointed in these Chapter 11 Cases (collectively, the "**Notice Parties**");

- iii. Without further order of the Court, the Debtors may enter into agreements granting additional adequate assurance to a Utility Provider that serves a Request, if the Debtors, in their discretion, determine that such Request (including any agreed modification thereto) is reasonable;
- iv. If the Debtors do not agree with the Request and cannot agree with the Utility Provider on other terms, within thirty (30) days after receipt of such Request, or such additional time as to which the Debtors and the Utility Provider may agree, the Debtors shall file a motion pursuant to section 366(c)(3) of the Bankruptcy Code (a “**Determination Motion**”), seeking a determination from the Court that the Proposed Adequate Assurance, including the Adequate Assurance Deposit, plus additional consideration offered by the Debtors (if any) constitutes adequate assurance of payment. Pending notice and a hearing on the Determination Motion, the Utility Provider that is the subject of the unresolved Request may not alter, refuse, or discontinue services to the Debtors nor recover or setoff against any prepetition deposit;
- v. If an amount relating to Utility Services provided postpetition by a Utility Provider is unpaid, and remains unpaid beyond any applicable grace period, such Utility Provider may request a disbursement from the Adequate Assurance Account by giving notice to the Notice Parties. The Debtors shall honor such request within seven (7) business days after the date of receipt without further order of the Court, subject to the ability of the Debtors and the requesting Utility Provider to resolve any dispute. To the extent a Utility Provider receives a disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount disbursed.
- vi. The portion of the Adequate Assurance Deposit attributable to each Utility Provider (including any additional amounts deposited) shall be made available for the benefit of the Debtors, no later than seven (7) business days following the earlier of: (i) payment by the Debtors of the Utility Provider’s final invoice in accordance with applicable non-bankruptcy law following the Debtors’ termination of such Utility Provider’s services; (ii) the effective date of any plan confirmed in the Chapter 11 Cases only if there are no outstanding disputes related to postpetition payments; and (iii) as provided in any further order of the Court.
- vii. Any Utility Provider that fails to comply with the Adequate Assurance Procedures shall be deemed to have received Adequate Assurance and shall be bound by any order entered by this Court granting the Motion.

7. Any Utility Provider that fails to submit a Request for additional assurance as set forth in the Adequate Assurance Procedures shall be deemed to have adequate assurance of payment within the meaning of section 366 of the Bankruptcy Code and shall be forbidden from

altering, refusing, or discontinuing service to the Debtors for lack of adequate assurance or on account of any prepetition charges, or the Debtors' bankruptcy filings, subject to the Utility Provider's right to seek a modification of adequate assurance under section 366(c)(3) of the Bankruptcy Code.

8. This Order shall be binding on all Utility Providers and served with the Motion and Order.

9. Absent any further order of this Court, the Utility Providers are prohibited from (i) discriminating against the Debtors, (ii) discontinuing, altering, or refusing service, or (iii) requiring payment of an additional deposit or receipt of other security (other than in accordance with Adequate Assurance Procedures) on account of the Debtors' bankruptcy filings, any unpaid prepetition charges, or on account of any perceived inadequacy of the Proposed Adequate Assurance.

10. Any landlord that pays directly for Utility Services for the benefit of the Debtors pursuant to a non-residential real property lease must continue paying for such Utility Services in the ordinary course of business and may not cease, reduce, delay, or otherwise interfere with the payment or delivery of such Utility Services, regardless of any nonpayment, deferral, or waiver of rent, or any defaults with respect to the applicable lease; provided that a landlord may cease payments on account of Utility Services following the effective date of the rejection of the applicable agreement pursuant to section 365 of the Bankruptcy Code, if any. The Debtors shall serve a copy of this Order on all landlords that pay directly for Utility Services for the benefit of the Debtors pursuant to a nonresidential real property lease, if any.

11. Notwithstanding anything to the contrary in any other order of this Court, no creditor shall have any interest in or lien on the Adequate Assurance Deposit.

12. Nothing contained in the Motion or this Order, nor any payment made pursuant to the authority granted by this Order, is intended to be or shall be construed as (a) an admission as to the validity, extent, perfection, priority, allowability, or enforceability of any claim or any security interest which purportedly secures such claim, (b) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (c) a promise to pay any claim, (d) a waiver of any claims or causes of action which may exist against any creditor or interest holder, (e) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code, and nothing herein otherwise affects the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease with any party subject to this Order; (f) granting third-party beneficiary status or bestowing any additional rights on any third party; or (g) being otherwise enforceable by any third party. Without limiting the generality of the foregoing, nothing in the Motion or this Order shall constitute a finding that any entity is or is not a Utility Provider hereunder or a utility under section 366 of the Bankruptcy Code, whether or not such entity is listed on the Utility Services Lists.

13. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Order without any duty of further inquiry and without liability for following the Debtors' instructions.

14. The notice requirement set forth in Bankruptcy Rule 6004(a) is satisfied.

15. This Order is immediately effective and enforceable notwithstanding the provisions of Bankruptcy Rule 6004(h) or otherwise.

16. The Debtors are authorized to execute and deliver such documents and to take and perform all actions necessary to implement and effectuate the relief granted in this Order.

17. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
